And that beggars description. Five huncompilation of jokes and sneedetes is about the best that reaches us, and the second to know that his great influence has been uniformly exerted in behalf of exercising which is resid to be the less than the second to know that his great influence has been uniformly exerted in behalf of have ever seen since the commencecirculation which is said to be the lar- loyalty and good government. His ment of the war. Many of the poor gest of any one book in the world.

AMCREISHOP AUGRES. The telegraph announces the death of the distinguished Jone Hounes, D. D., Archbishop of New York, at the age of 65 years.

This distinguished prelate of the Ro man Church was born in the north of Ireland in 1798. He was the son of a respectable farmer, of small means, and emigrated to America in 1817. on account of the disabilities to which his religion was subjected in his native country. His father who had prece-ded him to the United States, placed him with a florist to learn the art of gardening; but having little taste for such pursuits, he devoted his spare time to study, and, as soon as his engagement expired, entered the Theo logical Seminary at Mount St. Mary's Emmitsburg, Md., where he remained several years, being employed almost from the first as a teacher. He was ordained priest in Philadelphia in 1825, and was settled in a parish in
